Title	Smart waste management for metropolitan cities
Team id	PNT2022TMID34106

ROADMAP

SPRINTS

The screenshot shows the Jira Sprints interface. The left sidebar contains navigation options: PLANNING (Roadmap, Backlog, Board, Reports), DEVELOPMENT (Code), Project pages, Add shortcut, and Project settings. The main area displays the 'All sprints' view for the project 'IOT based Smart Waste Management for Metropolitan Cities'. The board is divided into columns: TO DO, IN PROGRESS, REVIEW, and DONE 9 ISSUES. The 'DONE' column contains three issues: IBSWMFMC-21 (Customer care number is provided in the dashboard), IBSWMFMC-11 (As a user, I can register for the application by entering my email, password, and confirming my password), and IBSWMFMC-18 (As a user, I can view the contact number of nearest garbage collector and wanted garbage location areas contact number also available for any queries). Each issue has a status icon (green for done, red for in progress) and a progress bar. A 'Quickstart' button is visible in the bottom right corner.

BACKLOG

The screenshot shows the Jira Backlog interface. The left sidebar is the same as in the Sprints view. The main area displays the 'Backlog' view for the project 'IOT based Smart Waste Management for Metropolitan Cities'. The backlog is organized into two sprints: 'IBSWMFMC Sprint 2 31 Oct - 5 Nov (2 issues)' and 'IBSWMFMC Sprint 3 7 Nov - 12 Nov (6 issues)'. The first sprint contains two issues: IBSWMFMC-14 (As a user, I can register for the application by entering my email, password, and confirming my password) and IBSWMFMC-15 (As a user, I can log into the application by entering email & password). The second sprint contains six issues: IBSWMFMC-24 (Customer care number is provided in the dashboard), IBSWMFMC-18 (As a user, I can view the contact number of nearest garbage collector and wanted garbage location areas contact number also available for any queries), IBSWMFMC-19 (As a user, I can view the notification bar if I missed to consider the garbage activities), IBSWMFMC-17 (As a user, I can see the nearer garbage collectors location phone number for any queries contact, notification bar), IBSWMFMC-16 (As a user, I can view the garbage storage level), and IBSWMFMC-20 (As a user, I can make a query or related doubts to the web developer as message option is available). Each issue has a status icon (green for done, red for in progress) and a progress bar. A 'Quickstart' button is visible in the bottom right corner.
